USRI Event Scheduling Form

Each year thousands of schedules are distributed throughout Idaho and neighboring states advertising automotive event(s). If your club or organization is sponsoring an auto event and would like it listed on the USRI calendar, you must fill out a USRI Event Scheduling Form. We charge a nominal advertising fee to cover the cost of production. Due to limited space, only basic information for your event can be listed on the printed calendar. This includes: Event date, name, and location, plus a contact phone number.

Instructions:

Please fill out one USRI Event Scheduling Form for each event and submit it along with the required payment by January 15th. This cut-off date has been established to insure that we can go to print and have distribution by February 1st. Your promptness is the best way to make sure your event is on our schedule.

Scheduling Fees:

- \$5.00 Clubs (non-profit automotive-related clubs only) – Per event
- \$10.00 Commercial (all other for-profit, promoter, and non-automotive) - Per event
- \$50.00 Business Card size ads (limited spaces available. Image must be photo ready)
Business Card Ads must be automotive-related and pre-approved by USRI. Since only a limited number of ad spaces are available, last years advertisers will be honored first.
