* 2026 U.S.R.I. Schedule of Events *

It's that time of year to start thinking about scheduling our events for the 2026 season. If you would please fill out the lower portion of this form for each event you will be scheduling. We would be happy to put your event on our schedule. Please understand that we only have a limited amount of space to fit your event in a measured amount of space, so only the basic information will be listed; Date and name of event, location, and contact number. January 15th deadline has been set to insure we go to print for distribution by February 1st. Last year over 3,000 schedules were distributed through out the state to advertise your event. Your speedy reply will insure you are on our list again this year. Due to the high cost of producing this schedule, USRI must charge a fee for advertising your events. A mandatory January 15th deadline has been set and requires payment by then;

On my desk and paid in full .. No exceptions!

All events are charged per event (so if you have more than one event, it is charged per event).....\$10.00

Auto Related Business Card Ad: (Must be photo ready in black & white) business cards copy poorly.....\$60.00

Business Card Ads must be auto related and pre-approved by USRI directors. Only a limited number of these ad spaces are available, so Last years advertisers will be honored first. (Call For Available Spots - Mel -208-859-3707)
